Hanford Elementary School District

 May 25, 2022

**Call to Order** President Garner called the meeting to order at 5:30 p.m. Trustee Garcia and Revious were present. Trustee Hernandez and Strickland were absent.

**HESD Managers Present** Joy C. Gabler, Superintendent, and the following administrators were present: Kristina Baldwin, Doug Carlton, Javier Espindola, David Goldsmith, Lucy Gomez, Robert Heugly, Jaime Martinez, William Potter, Jill Rubalcava and Jay Strickland.

**CLOSED SESSION**

**Closed Session** Trustees adjourned to closed session at 5:30 for the purpose of:

- Student Discipline pursuant to Education Code section 48918
- Conference with Labor Negotiators (GC 54957)

**Open Session** Trustees returned to open session at 5:50 p.m.

**Case #22-17** Trustee Revious moved to accept the Findings of Facts and expel Case #22-17 for the remainder of the 2021-22 school year and the first semester of the 2022-23 school year for violation of Education Code 48900 and/or 48915 as determined by the Administrative Panel at hearings held on May 23, 2022. However, Trustee Revious further move that the expulsion order be immediately suspended and the student return to regular school in probationary status on a Behavior Conditions Plan through December 16, 2022. Trustee Garcia seconded; motion carried 3-0:

 Revious – Yes  
 Strickland – Absent

**Personnel** No action was taken by the Board.

**Public Hearing: Level 1 Development Fees** At 5:51 p.m. President Garner opened the Public Hearing: Proposed Increase in Level 1 Development Fees.

**Fees** David Endo, Chief Business Official, stated included in the packet is a copy of the Development Fee Justification Study. This study sets a cap on what we can charge for residential and commercial development. The study is done every other year to justify increases. The cost of construction has gone up. We split the consultant contract with Hanford Joint Union High School District and Armona Union

Elementary School to share the cost since we share homes/residential units. The study shows what it will look like over the next 10 years, how many students these homes will generate, and facilities needed to house these students. A district is eligible for half of the funding from the State for facilities if the increase is justified. David referenced page B-12 stating "HESD has a \$6.61 cost per square foot which is greater than the justified fee of \$2.87 per square foot." The study shows the increase in development fee is justified for both residential and commercial. Approval of increase will take place later in the meeting.

President Garner called for questions from the public, and there being none the Public Hearing was closed at 5:56 p.m.

## **INFORMATION ITEMS**

### **Phone Survey Results**

- a) Jason List, Isom, presented for information a summary on the Phone Survey Results. He presented a PowerPoint presentation reviewing the survey results. Jason reviewed the methodology that showed there are 21,773 registered votes in the District. 205 households were contacted by phone that resulted in an overall margin of error of +/- 6.81%. Jason went through each question asked and the results received for each question. He stated the results received for the questions are typical and what is expected. Nothing stood out that the community is upset with the district. People were happy and pleased with the various projects the district listed. Jason stated it did start to change when the questions changed to bond measures and tax rates. People are tax sensitive, and inflation is impacting people. When asked about extending the current tax rate there was a 57% in favor. Jason recommends if the district decides to go forward with a Bond Measure, the idea pitched to voters should be extended the current tax rate and for it not exceed \$19. That gives the district over 19 million dollars. He stated the results aren't exactly what he wanted to see. He recommends the district continues to think about it and to wait until the June 7<sup>th</sup> election to see what happens. Trustee Garcia and Revious agree on waiting to see what happens. President Garner asked Jason List if a simple majority or super majority vote is needed to pass the resolution to put the Bond Measure on the ballot. Jason indicated it would need a super majority at least four of five, with five votes being ideal.

### **Monthly Financials 7/1/21- 4/30/22**

Joy went over each goal and how the district is implementing each goal. The five goals reviewed are:

E 3553 – Free and Reduced Meals

**PURPOSE:**

The United States Department of Agriculture (USDA) requires that school districts ensure sufficient funds are being provided for meals served to students that are not eligible for free or reduced meals. With California requiring universal availability of meals to all students, there is no longer a student lunch/breakfast price with all meals are free to public school students. Milk taken individually is not reimbursable and therefore not free to students and will necessitate an increase to \$0.40/carton from \$0.30/carton. Additionally, the District is recommending an increase to the paid adult breakfast (without milk) from \$2.30 to \$2.50.

**FISCAL IMPACT:**

There should be a slight increase revenue for private school paid lunches that are served by the District.

**RECOMMENDATIONS:**

Consider approval the following revised Exhibit at the next board meeting:

**ARTICLE 29 28: SHARED TEACHING CONTRACTS**

  2. Both teachers on the shared contract shall be required to attend all teacher preparation days, management-scheduled professional development programs, staff apportioned staff development days, parent-teacher conferences, back-to-school night, IEP meetings, and any other school activity to ensure continuity of the educational program and necessary principal/parent/teacher communications.
