

Setting Up Your EZ ChildTrack Account for 3 and 4 Year Olds

Step One: Instructions for Opening or Editing an EZ ChildTrack Account:

New Families: All families who do not have an EZ ChildTrack account already setup from a prior enrollment (Summer Camps, BAC, Zone 58, TOTS or All Aboard), will need to create their online account in EZ ChildTrack. To set up the online account, go to: www.wws.k12.in.us > Parents > WWS Summer Camps > EZ ChildTrack and follow the instructions below:

- Select Register for NEW CUSTOMER OPEN ACCOUNT. An instruction page will pop up.
- Complete all required fields.
- Primary Account Holder information is the parent/guardian who is responsible for the registration and billing. An email address is required and will be used for communication with the Primary Account Holder. If you do not have a home phone or a cell phone, please check appropriate box.
- Secondary Account holder information is usually the other parent. If the other parent is not involved with the account, please check the box "Do Not Have a Secondary Account Holder".
- Enter at least one emergency contact (required). These are additional contacts other than the Primary and Secondary Account Holders. Do not use Primary and Secondary Account Holder information in this area.
- You have the option of adding up to 5 additional people who are authorized to pick up your child(ren).
- Click My Children found at the bottom right on the webpage. Complete new child information including the relationship information and the child's medical information. Select the parent the child lives with in this section. This will auto-fill the child's address.
- In the drop-down area of the School Information field, select Virginia F Wood Early Learning Center as the school your child might attend the 2022-2023 school year and the child's 2022-2023 grade level which would be Preschool (3 years old by 6/1/22) ; Pre-K (4 years old by 6/1/22). Child must be fully toilet trained.
- Click Save Child. You may now add any additional children to your account by clicking Add Child. If no additional children need to be added to your account, you may proceed to next step.
- Click Review. Click Closed to exit site.
- You will receive an email with your account number and a temporary password. Using this temporary password, return to EZ ChildTrack and sign in as a Returning Customer Sign In.
