Sherry L. Grate, Ed.D., Superintendent

April 2019

Dear Parent/Guardian:

In March, our schools administered the *Indiana Reading Evaluation and Determination* (IREAD-3). Based on the Indiana Academic Standards, *IREAD-3* is a summative assessment that was developed in accordance with Public Law 109, which requires the evaluation of foundational reading skills for students who are in grade three to ensure that all students can read proficiently before moving on to grade four. Your child's score report will be sent home with your child.

The Indiana Department of Education has provided resources for parents, which include an informational video about IREAD-3 and a scoring guide to help you read and understand your child's Individual Student Report (ISR).

Informational video: youtu.be/kgYHK4nC2C0

The ISR contains information regarding your child's results on the assessment.

The graph and corresponding text identifies student performance in one of two categories: **Pass** and **Did Not Pass**.

- o A **Pass** score of 446 or above indicates that the student has met the expected level of learning.
- o A **Did Not Pass** score of 445 or lower indicates that the student has not met the expected level of learning.

If your child did not pass IREAD-3, our schools will offer remediation services prior to the summer administration of IREAD-3. The IREAD-3 summer window begins on May 28. Details regarding each school's summer administration will be forthcoming. Should you need further explanation of the enclosed test results, please contact your child's assistant principal or me.

Sincerely,

Lynn Scheme!, Director of Organizational Systems, Assessment and Analysis, 317-867-8004
