# **Important Parent Information / COVID Guidelines For Summer Camp 2022**

COVID is changing some of our protocols so please read through this information below.

- Our summer program will adhere to any covid protocols established by Westfield Washington Schools.
- At full week summer camp, each grade level will be divided into groups to allow for better supervision. The groups will have an adult as well as one to two staff members supervising.
- Our program will monitor COVID cases but will not contact trace unless district guidelines change.
- It is critical that you keep your child home if you or anyone in your family is experiencing symptoms. Children who come to camp with covid symptoms will be sent home.
- If someone in your family tests positive and that person can't quarantine from the child, the child will not be able to return until the 5th day after the family member's quarantine ends. While the child is quarantined, the parent will still be responsible for the summer fees.
- Should your child test positive, he or she would be required to quarantine for 5 days and can return on the 6th day. The family would be responsible for the regular program fees during that time.

Pick up and drop off will take place curbside. Each family will receive an email with a template attached to complete and to hang in the front passenger window. You will need to print in large letters the first and last names of each child being dropped off and picked up, the grade your child will be going into, and a four-digit family code printed in big numbers on the sign. This code will be used to check children in and out daily. Please choose your own family code and be sure to share it with anyone who has permission to drop off or pick up. Any person with your approval to drop off or pick up will need a sign with the above information. A staff member will come to the car, verify the information, call for the child on a radio, and then will assist your child to your car.

## **Parent curbside drop off and and pick up locations are listed below:**

Preschool, Pre-k and Kindergarten: Door 4 C/D

1st through 13 years old: Door 20 A/B

Opportunity Camps only: Door

These are important things to remember to speed up the pick up line as it can get bogged down.

- Be sure your sign is posted on the front passenger window
- If you have a preschooler or kindergartener, pick up the younger and older children at that drop off spot, outside door 4C.
- If you have a child that needs to be buckled in to a car seat, pull into the parking lot to complete the task
- Do not get out of your car. The line will move faster if the staff member assists your child
- Be sure car seats are on the passenger side so that children and adults don't have to walk through the driving lane
- When your children are loaded, move ahead so that other children can be loaded
- And remember, do not drive around other cars waiting in the line as this puts children and staff at risk.

# **Important Parent Information / COVID Guidelines For Summer Camp 2022 (Continued)**

- Your child will need to bring a water bottle daily with your child's name on it. Children can refill water bottles at designated filling stations or at the sink in the classroom.
- Because of the Federal Summer Feeding Plan, we will be able to provide lunch and snacks to all families free of charge through June with the possibility of continuing into July (to be determined).

## **Opportunity and Sports Camp:**

- For camps in which students are transported on buses, children will be required to wear a mask while on the bus per federal guidelines. We will follow the district guidelines regarding numbers of children in a seat, maximum number on a bus, etc... Children who refuse to wear a mask and stay in their assigned seats will not be allowed to ride the bus to the camp and will stay back at full week camp. Parents will be notified and still be responsible for the opportunity and sports camp fee and additional charges for full day care.
- All children participating in camps will be dropped off and picked up at curbside with the teacher, staff, or coach out at the curb during arrival and dismissal.

## **3 and 4 Year Old Full-time Summer Care June 6-August 3 (continued)**

### **PARENT CANCELLATION POLICY:**

Withdrawal requests are accepted through May 23, 2022 by e-mailing to [mychild@wws.k12.in.us](mailto:mychild@wws.k12.in.us). Failure to provide email cancellation by May 23 will result in your account being charged weekly for the entire summer program.

### **DISTRICT CANCELLATION POLICY:**

Westfield Washington Schools reserves the right to cancel any or all of the Summer program at any time due to circumstances beyond the district's control or if minimum enrollment is not received by 5/23/22. If cancellation is due to minimum enrollment not met, we will contact the parents who submitted enrollment by May 24, 2022.

### **PRESCHOOL & PRE-K LATE PICKUP POLICY:**

Full-time Summer Care closes at 5:30 pm. If you need extended care after 5:30 pm, enroll in the Extended Care plan for child care between 5:30 and 6 pm.

Based on the plan the child is enrolled in, if child is pick up after the closing time, a fee of \$1 for every minute late will be charged to the account. After two (2) late pickups charges during the summer, the fee will increase to \$5 per minute late. After five (5) late pickups during the summer, childcare will be suspended until the parent has met with the Director of Student Support Programs, and all late fees have been paid. Please keep in mind, the parent will still be responsible for any remaining weekly summer fees if the child is suspended. This will be strictly enforced. Thank you for your consideration in helping our very dedicated staff. Late fees carryover from school year 2021-22, if enrolled.

### **DROP OFF AND PICK UP PROCEDURES:**

We will be doing curbside drop off and pick up at OTES Door #4C and #4D. Parents will not get out of the vehicle when dropping off or picking up.

To streamline this process, each family will need to have an 8½ X 11 sign displayed in the front passenger window with the following information on the sign:

1. Each child's first and last name in large print.
2. A 4 digit family code that will be used for check-in and check-out. You will decide what family code you will use.

Prior to the start of summer, you will be emailed a template for the sign.

Any adult who will be dropping off or picking up your child(ren) will need a copy of your family's sign to post in their window.

## **3 and 4 Year Old Full-time Summer Care June 6-August 3 (continued)**

To make this as efficient as possible, we ask that you be prepared by doing the following prior to stopping at Door #4C and #4D:

- Display your family sign in the passenger front window.
- Say your good-bye's ahead of time.
- Unbuckle the child(ren) prior to stopping at curb.
- Child(ren) need to have all their personal items (water bottle, backpack, etc.) in their hands and ready to get out of the vehicle after coming to a complete stop.
- Child(ren) exit vehicle (or get in) from the passenger's side back seat.

Pick up will also be at the curb at Door #4C and #4D and a staff will come to your car, check the family sign, then call for the child and assist the child to your car.

For the safety of all, we ask for your patience and cooperation during drop off and pick up. Parents must remain in their vehicle and in the line. Please DO NOT weave in and out of the drop off or pick up line. Thank you in advance for your cooperation.

### PLANS AVAILABLE & ENROLLMENT DEADLINES:

Families who are currently enrolled in an SSP fee-based program must be current with their account in order to have summer enrollment accepted. Enrollment will be processed on a first come/first serve basis or until filled. Below are the different enrollment options.

Summer Week-by-Week Plans — Care available from 6:45 AM to 5:30 PM with the option to add opportunity and/or sports camps to your child's summer enrollment. Online enrollment beginning March 1 and each week's enrollment (or cancellation requests) expires 14 days prior to the start of each week. This plan provides flexibility to select specific weeks from June 2 through August 3, and also includes adding opportunity and/or camps to the enrollment. These camp options are only listed in the Week-by-Week Plans. Weekly camp descriptions including dates, times, and fees are included in this catalog.

Extended Care Plan — Care available from 5:30 to 6:00 PM. This plan is not a stand alone plan and requires additional enrollment and fees.

Opportunity and Sports Camps Only are also offered as stand alone 3 or 4 half day camps (no childcare included). These camps are approximately 1 1/2 to 2 hours long. Parents need to provide transportation to and from the opportunity or sports camps. A weekly listing, pricing and camp descriptions are found in this catalog.

## SUMMER CAMP BASICS

### 1st Grade through 13 Years Old

2022-23 School Year

#### LATE PICKUP POLICY:

We close at 5:30 pm. If you need extended care from 5:30 to 6 pm, enroll in the Extended Care option.

Based on the plan the child is enrolled in, if child is picked up after the closing time, a fee of \$1 for every minute late will be charged to the account. After two (2) late pickups charges during the summer, the fee will increase to \$5 per minute late. After five (5) late pickups during the summer, childcare will be suspended until the parent has met with the Director of Student Support Programs, and all late fees have been paid. Please keep in mind, the parent will still be responsible for any remaining weekly summer fees if the child is suspended. This will be strictly enforced. Thank you for your consideration in helping our very dedicated staff. Late fees carryover from school year 2021-22, if enrolled.

#### DROP OFF AND PICK UP PROCEDURES:

We will be doing curbside drop off and pick up. Based on your child's 2022-23 grade, these are the door locations you will be dropping off and picking up:

Kindergarten: OTES Door 4C and 4D

Grades 1 through 13 years old: OTES Door 20A and 20B

Parents will not get out of the vehicle when dropping off or picking up.

Door 4D and 4D for Kindergarten: Each family will need to have an 8½ X 11 sign displayed in the front passenger window.

Door 20A and 20B for 1st through 13 years old:

Each family will need to have an 8½ X 11 sign displayed in the driver's side front window.

Your family signs will need to have the following information on it:

1. Each child's first and last name in large print.
2. A 4 digit family code that will be used for check-in and check-out.

Prior to the start of summer, you will be emailed a template for the sign.

Any adult who will be dropping off or picking up your kindergarten child(ren) will need a copy of your family's sign to post in their window.

Parents pull up to the curb at the appropriate door (see instructions above), and one of our staff will come out to your car, check the children's names and family code on your sign, then escort your children to the building.

We ask that you be prepared by doing the following prior to stopping at curb:

1. Have your family sign displayed in the driver side front window.
2. Say good-bye's ahead of time.
3. Unbuckle child(ren) prior to stopping at curb.
4. Child(ren) has all their personal items (water bottle, backpack, etc.) in their hands and ready to exit the vehicle.
5. Child(ren) exit vehicle from the passenger's side back seat.

Pick up will also be at the appropriate mentioned doors (see instructions above). A staff will come to your vehicle, check the family sign, then call for the child and assist the child to your car.

For the safety of all, we ask for your patience and cooperation during drop off and pick up. Parents must to remain in their vehicle and in the line. Please DO NOT weave in and out of the drop off or pick up line. Thank you in advance for your cooperation.
