4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

We will develop a system to identify our students that are on free and reduced lunch.

We will increase communication with families to bring awareness to the discounts and waivers available to families who qualify for the Free & Reduced lunch. We will communicate this in multiple languages.

Additionally, we are going to increase awareness on the benefits of having an ASB card.

Please note: We do NOT require an ASB card to participate in after school clubs or school events.
