JUNE IS BUSTIN' OUT ALL OVER!!!!

The beautiful spring weather...the anticipation of summer...and Oceans of Possibilities! The Library is your place for all the things you need for a summer of fun possibilities. Books and magazines, movies and CDs, games and puzzles, Playaways and puppets, and a schedule chock full of programs for all ages. Our "Oceans of Possibilities" summer promises to be a blast. Come on down and check it out!

"LIBRARY OF THINGS" -- ADVENTURE KITS

While you may be accustomed to visiting the library for all of your reading, listening and entertainment needs in the form of books, CDs, DVDs and the occasional jigsaw puzzle, you will soon be able to see us for your adventure needs too! Thanks to a very generous donation from our Friends of the Library volunteer group and a grant from the Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered by Connecticut State Library, we are developing 15 different Adventure Kits for you to borrow. All Adventure Kit components will be on display at the Library on Monday, June 27, 10:30am-6:30pm. Come and check out all details and the excitement for yourself!

FROM THE CHILDREN'S DEPARTMENT

The Children's Department is beginning its fourth year of offering a very special program for your preschoolers: **1000 BOOKS BEFORE KINDERGARTEN**. Any child can be registered at the children's desk. Build a family habit of reading together and find the joy of reading that can then be passed along to your child as they begin to read on their own. We would love to help you get started!

Summer Reading 2022 is quickly approaching!! This year our Summer Reading Program will run **June 27 through August 27**. "Oceans of Possibilities" is the theme! We will have offerings for: Babies (ages 0-2), preschoolers (ages 3-5), kindergarten - 6th grade, teens 7 - 12 grade, families and adults. There is something for **EVERYONE!** It's going to be **AWESOME!**

THANKS TO OUR 57TH DISTRICT REPRESENTATIVE JAIME FOSTER

Jaime has secured funds to create an outdoor reading and working space at the Library. Plans are being drawn and construction will begin later in the summer.

TOLLAND COUNTY ART ANNUAL EXHIBIT

The June art exhibit will be the works of the members of the Tolland County Art Association. Enjoy the display **June 1-30**.
