## GradNite Permission Slip

June 18 – 19th

(Raindate : June 19 – 20th )

*Please carefully review the terms of this permission slip*

1. Graduates and a parent/guardian must sign this permission slip, regardless of the age of the graduate.
2. Visit <https://xtremeplayct.com/> and complete the waiver – this **MUST BE DONE** to participate!
3. We also require an emergency phone number to have on file during the event.
4. **No alcoholic beverages, cigarettes, or illegal substances are permitted. We reserve the right to use Breathalyzers if necessary.**
5. **Students will not be allowed to drive themselves home after the event. Please make arrangements to pick up your son/daughter or arrange a carpool if you are unable to pick up at the designated time. The GradNite committee must be notified. No students will be allowed to drive home after GradNite or leave early.** GradNite is a lockdown event and once student's check-in they will be expected to stay until dismissal. GradNite will be held at Xtreme Play Adrenaline Park, 38 Mill Plain Road, Danbury, CT. There are employees on site to supervise students, however students are expected to honor the terms of this permission slip and not attempt to leave during event hours. **GradNite volunteers, Region 14 or Xtreme Play will not be held responsible for anyone who leaves the designated GradNite areas.**
6. If a graduate has any medical requirements, please contact the school prior to GradNite to make special arrangements.
7. Students may **not** bring their own food or beverages to GradNite. Food and drinks will be available throughout the night. Any food or drink that students bring with them will be confiscated. (Please inform the GradNite committee of any food allergies prior to the event)
8. GradNite will include some physical exertion and fitness should the students participate. While these activities are made with fun in mind, this equipment needs to be used properly. Due to the nature of these games, injury is a remote possibility. GradNite volunteers, Region 14 or Xtreme Play will not be held responsible for any injury incurred during the use of this equipment.
9. The GradNite committee works hard to provide a safe, supervised environment for graduates, but all attendees are expected to follow safety guidelines and take responsibility for their own actions.
