

To glorify God by providing for students the highest quality, college-preparatory education, training them in the biblical world and life view, thus enabling them to serve God in spirit, mind, and body.

About Trinity:

Trinity Presbyterian School is seeking an outstanding educator to teach Pre-Calculus and Algebra II for the 2022 - 2023 school year. Trinity is a K3-12 independent Christian school located in Montgomery, Alabama. Trinity is known for its commitment to outstanding academics, athletics, and arts. Our teachers exhibit a passion for education, and a genuine care for students, colleagues, parents, and members of the community.

Job Description:

The teacher will work in the Math Department, teaching upper-level courses (ex. Pre-Calculus).

High School Math Instructor should have these characteristics:

- Must be a committed Christian who understands what it means to teach with a biblical world and life view and applies the biblical worldview in their classroom
- Must be passionate about one's discipline and can articulate that passion to students, providing a nurturing environment conducive to learning.
- Must be knowledgeable in the subject area of math
- Must be a devoted lifelong learner who desires to be a leader in his/her field
- Must be dedicated to the success of every student, using innovative lessons, collaboration, and regular assessment

Minimum Requirements:

- Have a B.A./BS. in subject area. A Master's degree or higher is preferred.
- Certified in subject area or work in subject area career
- Proficiency in the use of classroom technology
- Must accept and agree to support Trinity's statement of faith (found in application)

Candidates should send resume and cover letter to:
Analyn Coker, Upper School Principal
