Permission to park on school property is made pursuant to the following conditions:

1. Parking will be confined to designated student parking areas only. Vehicles must be parked within the confines of a single parking space. **Students cars will be ticketed if parked in staff and visitor parking lots. Vehicles on campus may be subject to search and seizure of items contained in the vehicle.**
2. Northglenn High School Stem suggests that vehicles be locked as a safeguard and assumes no responsibility for damage or losses to the vehicle or their contents, **including parking permits.**
3. Parking stickers must be displayed **inside facing out on the lower passenger side of the windshield and avoid tinted areas. The parking permit number must be visible.**
4. Loitering in the parking lot or sitting in cars before, during, after or between classes is not permitted.
5. **The student registered on this form is the only student allowed to operate their motor vehicle on school premises.** Students are not allowed to loan, sell or rent their permits. Violations will result in loss of the permit/parking privileges for the remainder of the year.
6. **No permits will be refunded.** It is the responsibility of the student to report lost or stolen permits immediately, and inquire about a replacement.
7. **No cell phones are allowed to be used while driving in the school parking lots.** Car stereos must be turned down when entering the lots.
8. Violators of parking/driving regulations are subject to suspension, revocation of permit, booting of vehicle, fines, and/or towing at owner's expense. Do not drive against traffic; use appropriate lanes of traffic. Keep driving speed under 5 mph. **Serious violations that endanger student safety will result in the loss of parking privileges the remainder of the school year.**
9. **By signing this document drivers commit to drive safely and acknowledge they are parking at their own risk.**
