

## INCOMING 6<sup>TH</sup> GRADE MATH SUMMER WORK

This summer incoming 6<sup>th</sup> grade students (2<sup>nd</sup> Prep) looking to keep their skills sharp should work through the workbook *Summer Skills Review of 5<sup>th</sup> grade skills*. This workbook is a review of fifth grade skills and is designed for students to complete three lessons per week. The answers and work pages are included to support students while working through the book. The workbook may be ordered at <https://www.summerskills.com/>.
