

欢迎. I am very excited to welcome you to honor II Chinese next year. As this is an honors class, it is very important that you study Chinese daily outside of class time and keep up with all required work. You will be expected to speak only in Chinese during class and to participate actively every day. We will use the Integrated Chinese II as the textbook along with the workbook. Please bring your workbook II and complete one online test for each lesson from Quizlet on the first day of the class. Your quiz score must be 90 or above. Please screenshot your score as the record. Please contact me by email if you have any questions. Summer work link: <https://quizlet.com/join/B4MZewjC3>
