

# 2022-23 Summer Reading

# Rising GRADE 7 Students

---

## 1. Read two age-appropriate books of your own choosing

Our suggestion is to read one book in June and one in July. Need help choosing a title? [Check out these great links](#) from School Librarian Heather Swift.

## 2. Record a "book report" video for EACH of your self-chosen books and upload it to Google Drive by August 26

Need help determining what to include in your "book report" video? Here are some suggested items to include:

- The book's title and author
- The main characters
- Your favorite part of the book and whether or not you would recommend this book to your friends. If you would recommend it, tell us why! If not, tell us why not!
- Use your creativity! What else do you think would be interesting to include?

When you are all finished, [upload your video here](#).

## 3. Read "The Boys in the Boat" (Young Readers Adaptation)

Before we resume school in late August, read "The Boys in the Boat" by Daniel James Brown. This is our division-wide summer reading book that all middle school students will read. We recommend reading this in August so it is fresh in your mind before returning to school. We will be discussing it in the first few weeks of class.
