

Washington Elementary School

June 2022

At Washington Elementary School, we foster a student-centered community where all students are inspired to discover their own passions, accept and appreciate the differences in one another, and make reflective and responsible choices that will make the world a better place.

DRESS CODE REMINDERS:

Students are expected to dress in clothing and footwear that allows them the freedom to play and learn.

Clothing that fits properly, and footwear that is solid, will help to keep the children safe in the classroom and on the playground.

- Tank tops must have wide straps. Spaghetti straps or halter tops may only be worn underneath another shirt.
- Footwear should be sturdy. Children are not allowed to wear flip flops, slides, shoes with wheels or high heels.

Children wearing inappropriate footwear will not be permitted to participate in Physical Education that day and that could impact their grade for the marking period.

Final Week to Register for the Summer Enrichment and Summer Activities Programs!

Learning, Fun, and Friends, what else could you ask for during Summer?

Please be sure to take advantage of the amazing opportunities offered for our in-person Summer Enrichment Program. Explore classes focused on podcasting, drama, music, fitness, origami, art and so much more! Learn about myths and legends from different cultures and "travel" to many countries around the world in just 18 days. You can even have fun while improving your reading, writing, and math skills.

Please click [here](#) to read the Edison Public Schools 2022 Summer Programs Brochure. Registration is now open on Community Pass.

Registration for the Summer Activities and Summer Enrichment Programs will close on June 3rd. Please make sure to create an account in order to complete the registrations for this summer. [Community Pass Registration](#).

Please email summer.programs@edison.k12.nj.us if you have any questions.

Edison Township Public Schools SUMMER PROGRAMS

goIT is an experiential, immersive STEM program! Middle school students (Grades 6-8) get hands-on technology education, working in teams to tackle icon-based programming languages and design challenges as they collaborate to create an app. Throughout the goIT process, students will participate in six modules that include fun activities, computational thinking, prototyping, presentation-building skills and more.

Moving for the 2022-23 school year?
Please help us begin to plan by completing the google form below.

Projections for 2022-23

We are in the process of preparing class student rosters for the 2022-23 school year. The primary factor in determining our needs, in terms of both personnel and materials/supplies, is accurate projections of our student enrollment. Please complete the survey below. ONE PER FAMILY
