

INTERNATIONAL LEADERSHIP OF TEXAS

Welcome Letter from Principal Dr. Keshia Washington

Hello Arlington K-8 Family,

I am humbled and honored to have the privilege to serve as your Principal for the 2022-2023 school year!! I have been with International Leadership of Texas since December of 2019. Since that time, I have served in various roles such as: middle school assistant principal, campus testing coordinator, SPED administrator, LPAC administrator, gifted and talented administrator and a slew of other roles. I come to International Leadership of Texas with over 20 years of educational experiences and background.

My educational experiences have afforded me to work with a diverse group of people to meet the common goal of increasing scholar achievement and well-being. My educational philosophy is based on my uncompromising belief that every scholar can succeed, given an efficacious learning environment, strong well-informed leadership, a committed focused leadership team, an invigorating community, and a nurturing family.

The best way to contact me is at kwilliams washington@ILTexas.org and to schedule an appointment please reach out to our office manager Juanita Quinones at jquinonesaranda@iltexas.org .

I am excited about this school year and we will soar to new heights together.

Kindest Regards,
