Faculty, staff, and students:

There has been some concern and questions around COVID-19 cases associated with travel and vacations. At this point in time, Norton City Schools encourages everyone who plans to travel to take precautions.

While there is not a formal quarantine for travelers at this time, when you return from travel, you may be at an increased risk of getting sick. To protect your school and community, we ask that upon your return you self-monitor for 14 days – take your temperature, be aware of symptoms, and stay home if you feel sick. If you must go out locally or return to work during this 14-day period, please protect your coworkers and community by wearing a mask, washing hands, and socially distancing.

Symptoms to watch for include fever, chills, cough, wheezing, shortness of breath, difficulty breathing, fatigue, muscle aches, body aches, runny nose, abdominal pain, nausea, vomiting, diarrhea, congestion, headache, and loss of taste or smell.

As a school division we need your help and cooperation. Thank you for the sacrifices and efforts you are all making to keep each other safe.

Additional information for travelers can be found at:

<https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-in-the-us.html>.

Thank you,

Dr. Gina Wohlford
Division Superintendent
