Food City is committed to the communities we serve. We are currently planning to hire 2,500 additional associates to assist many of our friends and neighbors who are currently seeking employment. If you have employees that are out of work or have recently seen a reduction in work hours, we hope that you will encourage them to come work for our company.

All Food City locations currently have both full-time and part-time opportunities available in key customer service and food service positions throughout our entire market area. This includes Cashiers, Courtesy Clerks, Day/Night Stockers, as well as experienced/skilled positions, such as Meat Cutters, Cooks, and Cake Decorators.

Interested candidates are welcome to apply online at [www.foodcitycareers.com](http://www.foodcitycareers.com) or visit any Food City location for additional information.

Thank you,

The Food City Team
