

2022-23 Kindergarten and Preschool Registration is Open

Good evening. This is to formally notify you that parents of ALL eligible (see below in yellow) preschool (ages 3-5) and Kindergarten students are invited to visit our website in order to register for our **free full-day Project Before Preschool or Kindergarten** programs via **Oncourse Connect**, our online registration software. The link to student registration will be clearly identified on our district website homepage (www.sayrevillek12.net) as "**Student Registration**". Once on this registration page, you can obtain pertinent information regarding the registration of all students including preschool and kindergarten students, and you can begin completing the online registration application by clicking on one of the following links noted in the **2022-2023 Project Before and Kindergarten** text box: **[New Student Registration Preschool and Kindergarten](#)** or **[Returning Student Enrollment Update for students entering grades PreK and Kindergarten during the 2022-2023 school year.](#)**

However, please remember that to be eligible to attend kindergarten in September 2022, children must be age five on or before September 30, 2022. Likewise, to be eligible for preschool, children must be age three on or before September 30, 2022.

After completing and submitting your application, a representative from our district Registration Office will contact and schedule an appointment with you in order to verify your residence and the age of your child, as well as to collect all the required documents and information listed below. Soon after that, a representative from Project Before (for preschool) or the projected school that your child will attend kindergarten in will contact you in order to schedule a time for you to meet so that the school can verify your paperwork.

What should I bring to my appointment?

For a child to be considered registered, the following completed documents, written or translated in English, must be submitted:

- A certified, original birth certificate, passport or another official document indicating age
- Updated immunization record in English with child's name, doctor or clinic name and month, date and year of shots. Please see website for list of required immunizations
- A copy of the most recent physical examination. The school nurse reviews all health-related documents and will advise parents of additional needs.
- Proof of Residency with current mortgage payment bill/deed or lease –plus 3 original items from the list below:
 - Current mortgage payment bill/deed or lease
 - Current property tax statement for a home
 - Current utility bill with name and address
 - Photo ID of parent/guardian with current address
 - Paid rent receipts or cancelled rent checks
 - Bank or credit card statement
 - Current automobile registration or insurance card
 - If you are residing with another family – Provide the above proofs of residency and a notarized letter from the Sayreville resident along with their current mortgage payment bill/deed or lease, listing by name all of the registrant's family that certifies the registrants are living in their residence.

Please note that if your child is registering for kindergarten, you must bring him or her for a brief kindergarten screening.

Naturally, feel free to contact me should you have any questions.
Dr. Labbe
