

Second Grade Supply List

Dear Parents/Guardians,

Students are NOT required to bring supplies to school in August. We can provide them with the necessary items. However, it is understandable that the children look forward to shopping for school supplies each year. If you would like to shop for new supplies, here is a list of items that are recommended for second grade. Please know that all supplies will be shared with our classroom community.

- Marble composition book*
- One box of tissues*
- Crayons (24 pack only)*
- Pencils and erasers*
- Clorox wipes*
- Expo dry erase markers*
- Please do not bring any binders or folders for your child. We will be providing these for our students.*

Please don't forget to send a snack and lunch money with your child for the first day of school!

*Thank you,
The Second Grade Teachers*
