

First Grade Supplies

Dear Parents,

In First Grade we share supplies as a classroom community. We provide this opportunity to encourage community, responsibility and belonging. In our rooms we have many supplies already available in "The Community Supply Center". Items in the "Community Supply Center" include: scissors, pencils, colored pencils, glue sticks, erasers and crayons. While these supplies are available, donations are always appreciated. Items that we go through quickly include:

-  boxes of 24 count Crayola crayons
-  large glue sticks
-  standard yellow #2 pencils
-  soft erasers

We do request that every child bring in a box of tissues and a smock (labeled with your child's name) for art class (a large old shirt will do). Please do not send in any "extra" items such as a pencil box, extra paper, folders or notebooks. These are supplied in the classroom and only clutter an already full desk.
