

School supplies are optional. Your child only needs to bring a backpack, but we also know that many families like to go back-to-school shopping. If you would like to donate supplies for our kindergarten classroom, here is a list of things that we use most often and can always use more of:

- |  |              |                                      |                   |
|--|--------------|--------------------------------------|-------------------|
| Tissues                                  | Clorox wipes | Glue sticks                          | Pipsqueak markers |
| Colored pencils                          | Play-Doh     | Crayons                              |                   |
| Ziploc bags (quart size) or (snack size) |              | Snacks (bag of pretzels or crackers) |                   |
