# Be a Part of the Summer Reading Library Display!

As we welcome you back to school in the fall, we will be collecting evidence of your summer reading on leaves to create a display outside our library. Choose a leaf template or design your own. You can decorate it anyway you wish. Perhaps, turn your leaf into the cover of your favorite summer book, draw your favorite character or scene from the book, or write the title in your favorite color. Be sure to write your name somewhere on your leaf and make it colorful! Bring them to the library in August and September! Have a great summer and happy reading!
