

Educational Enhancement Opportunity Request Form

To request an absence to participate in an educational enhancement opportunity, please complete this application form and return it to your school principal at least five (5) days prior to the absence. An EHO absence requested by this signed application and approved by the school principal will be considered an excused absence. The proposed activity must have significant educational value and be composed of an intensive program related to the core curriculum (e.g. art programs, dance programs, State Fair activities, workshops that are educational in nature, college visits, etc.). The school principal will use his/her good judgment to determine if the activity meets guidelines. A student may be approved for up to ten (10) days of absence per year for this purpose. Students who are granted an absence under this law will be allowed to make up all school work. Any student who is considered a habitual truant under KRS 159.150 will not be considered for EHO days. **This type of absence cannot occur during the school's State Required Testing or District-wide assessments, unless there are extenuating circumstances that are approved by the Principal.**
