Let's Shift our Mindset!

Kayla Etheridge

Itinerant Teacher of the Deaf/Hard of Hearing

I am here to service students with a hearing impairment.

I am here to help staff understand the best way to work with HI students and to help answer any HI questions.

If you notice a student that may have difficulty hearing the information being presented, please reach out to me.

Monday-Thursday in Schools

Friday: in office at Board of Education

- Here to help identify/service high ability primary and gifted/potential gifted intermediate scholars at BES, CCES, CES, JES, SMES, SES
- Here to support and be a resource for scholars, teachers, parents, and administrators to help meet social/emotional needs and academic needs of gifted scholars

Toddie Adams

Director of Gifted Services

GT Coordinator Middle and High Schools

tatiana.adams@marshall.kyschools.us

Call/Text: 270-205-1280

I am here to help identify and service gifted and potentially gifted learners at NMMS, SMMS, and MCHS. I am a support for students, parents, teachers, and administrators concerning advocacy for gifted students.

Autism Support Services

We are here to provide help identifying and planning for students with Autism. We provide support and resources to families, students, teachers and administrators.

Even without sight
there is still vision

Even without sight
there is still vision

- Provide vision services to all Marshall County students as identified on their IEP.
 - Conduct Functional Vision and Learning Media Assessments
 - Provide support to all persons that work directly with our visually impaired and blind students.
-
