

Dear Parents and Students,

Thank you for your interest in Mt. Lebanon High School Girls' Golf. We are looking forward to another season as the coaches of the varsity and JV teams, and hope that you take advantage of what we have to offer this summer as you prepare for tryouts in August. Our goal as a program is to continue to field a competitive varsity team, while cultivating beginning golfers on our JV team. In the spirit of the game of golf, both teams will encourage the development of sportsmanship, etiquette, and camaraderie both on and off the course.

This summer, we have two ways for players to get involved with the team. Two tee times have been reserved on the following Mondays at 8:00 and 8:15AM: 6/27, 7/11, 7/18, 7/25, and 8/1. These tee times will be open to the first EIGHT (8) players who sign up. At least one coach will be present during these Monday tee times to assist players on the course. Players may also take advantage of the summer golf program, which is paid for by the Friends of Mt. Lebanon Girls Golf booster club. The Mt. Lebanon Golf Course will have a list of players who are eligible for this opportunity. Players should make a tee time in advance and should check in at the front desk to let them know they are with the Lebo girls golf team. Players are encouraged to go in groups of 2 or more for this, and it is only available during the following times: Monday/Friday 8AM-2PM, Tuesday/Wednesday/Thursday 11AM-2PM

In the meantime, players are encouraged to get out and play as much as possible on their own at local golf courses and in amateur tournaments. There are also several golf pros in the area who I can recommend to any player who might be interested in private lessons. Please email Coach Bouvy at pbouvy@mtlsd.net for more information on lessons and tournaments.

Mandatory tryouts will be held August 8-10 at Mt. Lebanon Golf Course. Depending on the number of players trying out, an initial cut may need to be made after the second day of tryouts. Scores will be compiled from the tryout rounds to determine who makes the varsity squad. Other factors under consideration, as well as team expectations, are explained on pages 2 & 3. Girls entering grades 9-11 in the fall who do not make the varsity squad will be considered for the JV team based on their tryout scores. Seniors are generally not placed on the JV squad as it is designed to develop players to compete at the varsity level in subsequent seasons.

We plan to keep 6 players on the varsity team and 6 players on the JV team. We will not have a practice squad this season, as it proved to be too difficult to find time and space for all players to practice once the season began last year. Players who don't qualify for either team will be encouraged to work on their game over the next year and try out again next summer.

We are looking forward to working with you over the summer and in the fall! Best of luck and please reach out with any questions or concerns at any time. If you are not enrolled in our Remind group or our Team Snap application, please email Coach Bouvy ASAP so you do not miss out on any events!

Sincerely,
Pete Bouvy
