If you have questions about this assignment, please feel free to contact me at [sheila.bacon@saintjosephprep.org](mailto:sheila.bacon@saintjosephprep.org)

***Each assigned practice must be completed before midnight on the due date. You may submit them at any time during the week for which they are assigned – NOT any earlier. If you will be on vacation or away from Internet access, please inform me via email and we will arrange a due date for those practices.***

Directions:

Go to the website [www.conjuguemos.com](http://www.conjuguemos.com) Your “Student sign in” information is the following: Username: **firstname.lastname** – exactly the same as your school email (**without** the @saintjosephprep.org) Password: **sjpspanish2022** - no capital letters. This login **has already been created for you**, you just need to enter your username and password.

**For each assigned practice you should set the timer for 10 minutes.** The number of vocabulary words or verbs you should “attempt” and the minimum percent you need to earn are listed below in the chart. **Please only submit your score ONCE.** If you are at the deadline and haven’t met the minimum, be sure to submit your best score.

vocab: 65 words attempted & 75% or better correct  
verbs: 60 verbs attempted & 75% or better correct  
grammar: 75% or better correct

**For the vocabulary practice**, once you login you will see “ALL AVAILABLE ACTIVITIES” with 6 vocabulary lists.

During the vocabulary practice, you **MAY NOT** click on “Vocabulary Chart.” I recommend that, before you start the practice, you study the words by either looking at the “Vocabulary List”, reviewing the “Flashcards”, or playing the games.

**For the Spanish verb practice**, navigate to the “Library” then “Spanish verbs” section. The numbers in the chart refer to the exercise numbers – *check these carefully!* When you are done, please submit/ record your scores. You may “customize” these exercises to: pronouns; all but vosotros.

During the verb practice, you **MAY NOT** click on “Verb Chart”. I recommend that, before you start the practice, you study the verbs by looking at the “Verb Chart” on the home page.

**Once you have completed each verb exercise** you will see a note that states “All Done!” It will give your score and your average percentage. It asks “Save Your Score?”,

click on OK. You will see a note in red that states “Your grade has been recorded”.

**For the Spanish grammar practice**, navigate to the “Library” then “Spanish grammar” section. The numbers in the chart refer to the exercise numbers- *check these carefully!* When you are done, please submit/ record your scores.

You **MUST** be logged in to complete these exercises. The site will NOT keep you logged in forever. **In order to check if you are logged in, look in the upper righthand corner and be sure that it says your name.** If you see this note, it means that you are logged in.

If you reach the minimum number of vocabulary words and/or verbs AND the minimum percent correct before the 10 minutes are up, you may stop the exercise. However you may want to continue to try and improve your percentage.
