

Parents and Guardians,

The Nation Federation of High School Sports website (below) has tons of resources for everyone involved in the athletic community. Feel free to view the Parent section for some informative course that you can view.

The Sayreville Athletic Department and NJSIAA requires coaches to take various course on this site before they are eligible to coach. All Sayreville athletes view the below course with their team and coach, which is a mandatory Sayreville Athletic Department course. If for some reason your child missed the viewing, the coach will ask them to view it on their own.... and return the certificate to the coach. There are other non-mandatory courses that coaches may view with their teams or suggest to their teams to view as well.

All Athletes view this course with their coach once a year. Feel free to sign on and view this course as well as other informative parent courses.....

I would suggest viewing these two courses....

A course card for 'Bullying, Hazing and Inappropriate Behaviors'. It features a grid of four images: a red running track, a green field, an indoor basketball court, and a baseball field. The title is in bold black text, followed by 'Elective Course' with a magnifying glass icon. Below the title are tags for 'Student', 'Coach', 'Parent', 'Administrator', 'Official', and 'Music'. A red 'Free!' badge is on the left, and 'Delivered: 113,887 +' is on the right. Social media icons for email, LinkedIn, Facebook, and Twitter are at the bottom right.

And

A course card for 'Positive Sport Parenting'. It features an image of two women looking at a laptop. The title is in bold black text, followed by 'NFHS Core Course' with the NFHS logo. Below the title is a 'Parent' tag. A red 'Free!' badge is on the left, and 'Delivered: 52,403 +' is on the right.
