- Nearly every college/university is test-optional (for the incoming Fall 2022 class). They do NOT require SAT/ACT Scores
- If you would like you CAN still submit SAT/ACT Scores
- Colleges will not penalize you for selecting “test optional”
- Colleges understand Covid has made taking these tests very difficult

# Test Optional: What Has Changed?

- School-Specific Measures
  - Example: In place of SAT/ACT, Brandeis requires 3 AP exam scores or graded analytical writing sample
- **Very Important to Individually Check Each School's Test-Optional Information**

- Application materials must be received by guidance department **2 weeks prior** to application deadline

# Note on Early Decision/Action

**Applying to an ED or EA plan is most appropriate for a student who:**

- Has researched to find a school that is a strong match academically, socially and geographically.
- Is absolutely sure that the college is the first choice (for ED applications).
- Meets or exceeds the admission profile for the college for SAT scores, GPA and class rank.
