

SEVENTH GRADE VACCINATION REQUIREMENTS

The Ohio Department of Health requires all students to receive an additional dose of **Tdap** (Tetanus, Diphtheria and Pertussis) vaccine **AND** to be vaccinated against **meningococcal disease BEFORE** entering the seventh grade.

If your child has received a **Tdap** vaccine within 5 years of entering the seventh grade, this will meet this requirement.

If your child has received a **meningococcal** vaccine after age 10, this will meet this requirement. A signed waiver for parental, religious or medical concerns will also meet this requirement.

STUDENTS WILL BE EXCLUDED FROM SCHOOL IF VERIFICATION OF THE Tdap BOOSTER AND MENINGOCOCCAL VACCINE IS NOT RECEIVED PRIOR TO THE BEGINNING OF SCHOOL YEAR 2022-2023.

There are various ways you may obtain this immunization:

- Your private physician, local pharmacies, or walk in clinics
- Public Health – Dayton & Montgomery County Department Immunization Clinic
Located at 117 S. Main St. (5th floor of Reibold Building)
Call for an appointment at 937-225-4550
Bring copy of immunization record

If your doctor says immunization might be harmful to your student, a waiver must be on file. If you object to immunization for good cause, for example religious convictions, a waiver must be on file.

If you have questions regarding this requirement, please contact your school nurse, physician or Public Health – Dayton & Montgomery County Department.
