***Please label the backpack and headphones with your child's name**

****Please bring these items to the Open House so your child doesn't have to carry them on the bus.**

Establishing standard allocations to students is part of funding allocation for each school. Though Lakota purchases many of the basic supplies for students, it does not alleviate the responsibility of the students to have respect for what is provided to them. *If students misuse or abuse the supplies given to them, teachers may request parents to provide additional school supplies that would typically be provided by the school.
