Congratulations on becoming a Mustang North Bronco! It is our pleasure to welcome you to Mustang North Middle School! We are a school that is always striving to be the best we can be, and we hope you join us in this endeavor.

Our teachers work to develop personal connections and meet the needs of all students. Each grade level is divided into separate teams of students who all share the same core teachers. Our teachers are dedicated to providing quality learning experiences for students by creating meaningful and engaging activities, including opportunities for fun along the way.

We offer numerous extracurricular activities and clubs, and we encourage you to get involved in something. We have athletics, band, choir, theatre, STEM/Robotics Club, Technology Student Association, Running Club, Theatre Club, Reading Club, Chess Club, and Student Council. These are great ways to meet new friends!
