

**Dear Parents of the Class of 2023,**

For over fifty years, the wall composite and yearbook have served as a permanent record of students who attended O’Gorman. In addition they provide historical information for students, parents, and alumni. Because of the fine tradition established in previous years, we wish to reiterate the criteria needed for photographs. Consistency in a few matters ensures a quality product that represents O’Gorman’s highest standards. The following criteria must be followed for our seniors’ wall composite and yearbook photographs.

### **Wall Composite & Yearbook Photographs**

4. **Females are to wear appropriate semi-formal clothing** (no sweatshirts, t-shirts, **no bare shoulders**, etc.)
