

Wood Oaks

# January 2022 PTA Meeting Agenda

---

**January 10, 2022 / 1 pm**

The meeting began at 1:07pm.

Attendees: Debbie Salzer Rothschild, Rivka Daar, Dr. Rob McElligott, and Adrienne Felder Mittelman, and Cari Beake

Welcome

## AGENDA

### **Principal Report**

Dr Rob McElligott reported:

The teachers, staff and students were appreciative of the holiday lunch provided by the teacher appreciation committee. 8<sup>th</sup> grade articulation and placement has been occurring. In a normal year, the 8<sup>th</sup> graders would go to GBN, but this year again the welcome to GBN meeting was by Zoom and GBN recorded it. Student of the month emails were sent out directly from the principal to the parents. Chorus is returning in person with a live performance Wednesday at GBS. It is a joint choral concert with Shabonee. The first science fair in a couple of years was Thursday with judges. In normal years science fair participants attend the board meeting. Friday and Monday there is no school. First set of Erin's law presentation is occurring too. Friday is the end of second quarter and the end of first semester. Changes will occur starting Tuesday. January 25 report cards will be posted. There is also auditions for the musical. LRIA testing in place of STAR testing will occur. Math is on the 27<sup>th</sup> and reading is on February 1. The 5 Essentials Survey will occur later this year. Parent teacher conference sign ups open January 24 and close February 4.

### **Executive Board Report**

Budget: File electronically by Cheryl (accountant), state filed by mail. The holiday lunch cost the PTA \$887.50 and hot lunch from November and December together earned 1657.20. Robin and Karen Frum are ironing out the paypal issue. We want to be 5013C status with paypal eventually.

Committee Volunteer needs - There is a vaccine clinic Thursday and another volunteer is needed for two volunteers total.

## **Committee Reports**

**Book Fair:** We are waiting to hear back from Scholastic. We are hoping for a virtual only bookfair in February. We will have an in person book fair next year.

**Social Media/Communication:** Rosanne Gordon: Rosanne is doing an amazing job always posting.

**D27 Race:** Anna

**Directory:** \_\_\_\_\_

**Environmental:** Adrienne Felder Mittelman: There is the BIC/teracycle brigade where pens, paint sets, highlighters and markers are recycled. Wood Oaks is already collecting markers and they already have a bin at the school.

**Events/Fundraising:** Anna Harris: On the 20<sup>th</sup> there is a dine out for El Famous Burrito.

**Spiritwear:** Been on hold. There is a problem with a parent who had fraudulent credit card charges on her account and also put spiritwear as fraudulent by accident and has not had time to call her credit card company to straighten this out. This has made everything complicated and hard to fulfill spiritwear orders.

**Teacher Appreciation:** Erin Machat: There are a few things in store for February.

**Welcome Wagon:** Shawna Schwalb

**8th Grade party:** Whirleyball needs to be secured for the 8<sup>th</sup> grade party. Tentative date for GBN graduation is May 26 in the CPA.

## **NEW BUSINESS**

Hot lunch going well, add additional dates for February or no? Keep it consistent among all 3 buildings.

**NEXT PTA MEETING:** Monday February 14<sup>th</sup>, 2022 at 1 p.m. via zoom

Meeting adjourned at 1:45 pm
