

### **Spark!Lab Passport Challenge**

Is your young inventor up for the passport challenge? This summer, young inventors will be issued a free Spark!Lab passport during their summer visits to the lab at the Morris Museum. With each visit they will acquire a stamp and with six stamps they will complete the challenge and earn an exclusive prize. Starting Saturday, June 4 through Sunday, August 28

The first ten inventors who complete this challenge will receive the You Topia moving diorama makers kit (pictured above)! Other prizes include a Spark!Lab journal and more! Completed passports will be displayed in the Spark!Lab. Prizes will be awarded, while supplies last.

### **Artful Afternoons**

Weekdays in July and August, 3:00 – 4:30 pm  
For ages 5-7

Do you have an adventurous artist at home? At the end of a beautiful summer day, put all your kid's energy and creativity into art! Join us for our new program called Artful Afternoons, where each week is inspired by a Museum exhibition. These dynamic and unique classes will be offered for four weeks this summer. Due to the variety of media and projects offered returning students are welcome!
