FESTIVAL OF THE ARTS—Supporting Ukraine

The Adler Arts Center is honored to support Ukraine through Festival of the Arts this year by partnering with United We Art. UWA is an 'art-for-charity' initiative to raise funds for all those affected by the war in Ukraine, especially women and children. They will be selling art donated by local artists at Festival this summer and donating 100% of the proceeds. Come to FOTA on August 6 & 7, shop some art, visit United We Art's booth and help support Ukraine!
