June 9, 2022

Dear ISAAC Family,

The purpose of this letter is to notify you of a situation involving our school being placed into a *shelter in place* today due to a situation involving law enforcement outside of the school building that concluded without incident.

The safety of our students is our top priority. Today, in an effort to achieve the aforementioned priority, our school was placed in a shelter in place status. Again, the purpose of this status was to protect our students and staff from the unknown in the event a situation may arise. At no point, were any members of the school community in danger.

We are thankful for the close relationship we have with the New London Police Department. In addition, I am personally thankful for the collaborative relationship with Chief Brian Wright and our ISAAC Safety Officers who always have the students and staff of ISAAC at the forefront.

If you have any further questions, please feel free to contact our administrative team.

Sincerely,

A handwritten signature in blue ink, appearing to read 'N. Spera', with a long horizontal flourish extending to the right.

Dr. Nicholas J. Spera  
Executive Director
