

Activity Fee Information 2022-23

To provide the best possible staff, facilities and equipment while making an effort to reduce any financial impact on the classroom, a fee is charged for participation in all extracurricular activities. Payment of the fee is required before equipment can be issued and practice begins.

If a student participant is cut or dropped, or if an injury or illness prevents continuation in an activity from a high school team or group, a refund will be made up until the time of the first contest or performance of the team or group of which he or she is a member.

Any student participant quitting an extracurricular activity will not receive a refund. The Administrator in Charge of Activities will determine special eligibility for refunds. **Any students in grades 7 or 8 that will be playing at or above the freshman level will pay the amount required by students in grades 9 thru 12.**
