Northshore School District

To the Class of 2022: Congratulations on your graduation! Our hope is that you take everything you have achieved, especially in the past two years, to support you in achieving your future goals. Dr. Reid always says, "Learning happens best in community." The Northshore School District is better because of you. While you may have been a student in our schools, we have been learning along with you. We are taking what we've learned from each of you and continuing to invest in educational excellence for the future of Northshore. As you begin the next steps of your journey, our hope is that you will remain connected with our community. We want to share highlights with you and hear how you're doing! Using the scan code, please take a few moments to complete a short form so we can stay connected.

Congratulations Class of 2022!
The Northshore School District will always be here for you!
~One Northshore~
