

POST FALLS SCHOOL DISTRICT NO. 273

Series 500: Student Policy: Attendance

Policy No. 501.8

Policy Title: District Attendance Area

Page 1 of 1

It is the policy of the Board of Trustees to establish attendance zones for each of the schools in the district. The residence of the student is the household of his parents or guardian.

The Board of Trustees authorizes the superintendent to make exceptions to the attendance area when, in his/her judgment, the situation warrants. Consideration will be given to classroom enrollments and transportation.

When conditions warrant the establishment of new attendance zones, the following guidelines will be used:

1. Whenever possible, changes in the boundaries of school attendance zones will result from a group review that involves parents as well as school officials.
2. Boundaries should be changed only when it is necessary to provide efficient and effective utilization of buildings, resources and staff.
