Policy No. 504.1

Policy Title: Student Conduct

Page 1 of 1

It is the intent of the Board of Trustees that school administrators counsel faculty and students on the principle that all student conduct in the Post Falls School District is based on respect and consideration for the rights of others. Students have a responsibility to know, respect and abide by the rules and regulations of the school district. Students have the further responsibility to conduct themselves in such a manner that would reflect honor and dignity upon the individual, the school and the community.

State law charges every teacher and principal with maintaining order and discipline among students. Therefore, the Post Falls School District has developed rules, regulations and procedures to establish and maintain an orderly learning environment in each school. These rules, regulations and procedures are defined in each school's handbook approved by the Board of Trustees.
