Pupil Accidents

If a pupil is injured at school, a staff person should administer first aid and in the case of a severe injury, notify the principal and parents at once. If notification of the principal and/or parents is impossible, and/or if in the judgment of the staff person a doctor's services are required, emergency medical services will be called. All accidents resulting in injuries requiring medical attention shall be reported within one week to the district office on the forms provided.

Pupil Illness

If a student becomes ill during school hours, a staff person shall:

1. Isolate the student if possible;
2. Have the student lie down and keep the student warm;
3. Notify the parents or emergency contact as soon as possible.
