Series 500: Student Policy: Safety

Policy No. 506.2

Policy Title: Student Vehicle Parking

Page 1 of 1

Students are permitted to park on school premises as a matter of privilege, not of right. Patrols and inspections may be conducted without notice, without student consent, and without a search warrant. Students are required to unlock vehicles for reasonable inspection when instructed to do so by an administrator. Failure to cooperate may result in the loss of privilege to drive a vehicle onto campus, in-school suspension, or suspension from school. In cases involving drugs, alcohol, or firearms the local sheriff or police may be called.

Students will be permitted to park their vehicle in the school parking lot provided they have:

1. A current vehicle insurance policy;
2. A driver's license; and
3. Vehicle registration.

Additional parking requirements include:

1. Students and their parent/guardian must complete the Student Parking Registration Form prior to parking on school grounds;
2. Automobiles are restricted to parking spaces marked for parking. Inappropriately parked automobiles may be towed without warning and at owner's expense;
3. The Post Falls School District is not responsible for theft or damage to automobiles parked in the student parking lot;
4. The student parking lot is off limits during normal class time, except when the student has permission from an administrator; and
5. Students are prohibited from loitering in the parking lot. Students must enter the building immediately upon arrival.

Failure to comply with student vehicle parking rules and procedures may result in disciplinary action up to and including loss of parking privileges, suspension and/or expulsion (see 504.4 Guidelines for Student Disciplinary Action).
