FUNDRAISING OF OUTSIDE ORGANIZATIONS, COMMERCIAL ENTERPRISES AND INDIVIDUALS

It is the policy of the Board of Trustees that the schools of the district shall strive to safeguard students and their parents from money raising plans of outside organizations, commercial enterprises and individuals.

This policy applies particularly to ticket sales and sale of articles or services except those directly sponsored or approved by principals. All taxes must be held and reported to the State Tax Commission. Tax number must be secured unless the district number is used.

FUNDRAISING OF SCHOOL ORGANIZATIONS

It is the policy of the Board of Trustees that schools or school organizations may raise funds to enhance the educational program and directly benefit students.

While the Board of Trustees recognizes the benefits of fundraising, it also recognizes the need to minimize the financial impact fundraising has on individual families and the community at large.
