

### Extracurricular Transportation

The term “extracurricular” refers to activities or events which are supplements to the regular instructional program and do not involve class credit, including, but not limited to athletics, speech, debate, music, band, student groups and/or organizations, and community activities.

The determination as to whether to provide transportation for students, spectators, or participants to and from extracurricular activities shall be made solely by the District. This determination shall include, but is not limited to, the decision to provide transportation, the persons to be transported, the type or method to be utilized, all transportation scheduling and coordination, and any other transportation arrangements or decisions. Employees who are involved in extracurricular activities shall be advised by the administration as to the transportation arrangements made, if any.

District employees wishing to undertake independent arrangement, scheduling, or coordination of transportation for extracurricular activities shall do so only when specifically directed or approved by the Superintendent or his/her designee. District employees will notify the Superintendent or designee of all transportation details and/or arrangements made after authorization. District employees shall not use a personal vehicle to transport students.

Responsibility for extracurricular transportation, when not provided by the District, will remain with the parent who will be required to sign a waiver and release of claims prior to the extracurricular activity or event. Such waiver and release of claims shall remain on file at the school.

At its discretion, the District may charge fees for transportation of students to and from extracurricular activities where attendance is optional.

### Transportation to Extracurricular and Co-Curricular Activities Outside of District

The District will provide transportation to all extracurricular and co-curricular school sponsored activities scheduled at a location outside of the District for students participating as individuals or team members representing the District. All student participants are required to ride District approved transportation to and from these scheduled events.

If a student participant wishes to ride home with their parent/guardian, arrangements must be made by the parent/guardian with the coach or advisor. The parent will be required to sign a waiver and release of claims, (per event or entire season) prior to the extracurricular activity or event. Such waiver and release of claims shall remain on file at the school. Under no circumstances will student participants be allowed to transport themselves or other students to and from the activity, except in the presence of their parent/guardian.
