Teacher Tailored Kit Sale

We had such great success last year using the Teacher Tailored Supply Kit program for the first time, that we will once again be offering this as an option for purchasing your child's school supplies for the 2022-2023 school year!

This is a great way to get almost all of the school supplies that your child will need, delivered right to the school! No long shopping trip to try to find the items on your child's list!

Watch for more information that will be coming soon on how to purchase a kit if you are interested!

Contact Information

Do you have a phone number or address change? If your contact information changes at any point during the school year, please make this change in Final Forms as soon as possible so that our records are up to date. The information that you complete in Final Forms is what we use in order to contact you if needed during the school day. Our all call and mailing systems also pull your information from the Final Forms information that you have completed and is on file with the school when we send out letters and automated phone messages. Need help with this? Please let us know!

If your child is going to be absent from school, please call the school office at 330-484-3924 or email our school secretary Mrs. Essig at Laurie.Essig@perrylocal.org to report them off from school for the day. Upon your child's return to school, please send a note or a doctor's excuse for their absence.

As of now, there will be no outside visitors at lunch this school year. Breakfast and lunch prices are as follows. Due to pandemic waivers, breakfast and lunch school meals are FREE for all students for the 2021-2022 school year [Click here to see the menus!](#)

Just a reminder from the head of our district bus garage. There will be **NO** bus passes during this school year. Students are not allowed to go home with other students using our school buses. Thank you for your understanding.

Care Team News

Hello Lohr families,

Once again it is hard to believe that the end of the school year is upon us. This has been a great year as we have continued our efforts to return to a somewhat "normal" school setting. I would like to personally thank each of you for your patience and understanding throughout this journey.

This month I will have the opportunity to talk with all 4th graders about their transition to Pfeiffer. The kids will be able to ask questions and listen to a presentation that will hopefully ease some of their worries about the transition.

As for the other grade levels, May has been designated career awareness month. These lessons are taught by the classroom teachers and students will be presented information on many careers and the skills and education needed to pursue the careers. The following material will be presented and discussed:

Grade 1: "Going to School is Your Job" DVD

Grade 2: "Making Good choices" DVD

Grade 3: "We Can Work Together" DVD

Grade 4: Transitioning to Pfeiffer

Thank you all again for a fantastic year and I hope everyone has a safe and fun summer!

Sincerely,

Melissa Watkins
