June 10

Dear Gull Lake Families and Staff,

I have really enjoyed the year end activities our staff and parent volunteers have coordinated for our kids these past few weeks! There have been concerts and field days with dunk tanks and other fun games to celebrate a great school year! As I write this, our Girls Varsity Soccer team is preparing for their Region 5 Final this evening versus Zeeland West at Harper Creek High School. Seeing our kids, parents and staff participating together doing healthy and engaging activities is inspiring and heartwarming.

Our team is grateful for the support of our families and community, and it helps us be good stewards of the resources we share in preparing our kids for a successful future. As we head into summer vacation, we look forward to seeing your family at a whole host of Southwest Michigan summer activities. We also celebrate our Class of 2022 Graduates and their families who participated in a wonderful graduation ceremony yesterday evening at Miller Auditorium.

Here are several more [GLCS Good Things](#) for you to enjoy.

Have a great summer!
