Success Program

Dear Parents,

RCMS is about to *launch* our **SOAR Success** Program again this year! It will begin Monday, October 4th. This is a voluntary participation program set up after school to help students get back on track and excel in school. Our own student tutors will work one-on-one with students who are referred by teachers, parents, or the students themselves, helping them to reach their academic goals.

Middle school is so important in the life of a child. If we can show them what success looks like, if we can get them to believe in themselves, our hope is that they enter high school ready to face challenges and succeed to the best of their abilities.

This program takes place weekly Monday through Thursday in room 216 from 2:35-3:25.

It is very important that we have access to your child's grades so we can see any missing assignments they might have. Please include your child's login and password for *Skyward Family Access*. Your child will have an opportunity to come to the SOAR four days a week and finish his/her homework before even coming home. Parents need to provide transportation, but keep in mind that the "Boys and Girls Club" is an option if you work and cannot pick your child up at this time.

Let's work as a team and help your child see that success is within reach!

Thanks so much!

River City Middle School Staff

Any time your child is unable to attend SOAR, please call RCMS by 2:00 pm that day, or email nancy.hicks@sd273.com

SOAR SUCCESS Registration FORM

Student: _____ Grade: ____ Date: _____

Teacher(s): _____ Parent's Name(s): _____

Phone Number: _____

A vital part of this program is the tracking of your child's progress. Please provide your child's login and password to Skyward.

Username: _____

Password: _____

If you have not yet set it up, please contact the River City School office at 457-0933. You will be given specific directions to set up access to Skyward Family Access.
