

**Surrounding School District Millage Comparison
Clark/Greene/Montgomery Counties
Tax Year 2016 Rates (Collected in 2017)**

Sorted by: (The total of the effective mills plus the approximate income tax millage rate)

- District Millage Rates are ranked in order of highest to lowest by the Total Residential/Agricultural rates.
- The Total Millage rate includes operating, emergency, permanent improvement, and bond levies, as taxed to homeowners.
- The EFFECTIVE Millage is the current rate a levy is at after the effects of House Bill 920. This 1976 Bill maintains the existing level of taxes paid by taxpayers on voted millage, regardless of increases in property values.
