# ClassLink for Secondary Students

ClassLink is a dashboard that reduces logins and provides access for students in grades K-12 to the applications and programs that support classroom instruction both at home and in school.

Secondary Schools Device Login Procedures
● Please be sure to charge your device every night ● Power on your device ● Log in to your device using your student specific login ● Find the ClassLink app either on the bookmark bar or by typing in the ClassLink URL into a browser (see below) ● Sign in using Google credentials (see below)

*** Use your password sheet to locate your Google username and password which will be used to log in to ClassLink.*

Classlink URL: https://launchpad.classlink.com/soudertonsd

Sign in using your unique Google credentials.

Once signed in, you will land on the dashboard of icons that will host your specific applications and programs for learning.
