

MISSION STATEMENT ADDENDUM

The purpose of this language for the Mission Statement is to tie together the explicit mission and activities of Kingdom Preparatory Academy to other documents in which the doctrinal statements of Kingdom Preparatory Academy are connected, thus reinforcing the application of our sincerely held religious beliefs on matters of human sexuality and abortion.

CALLING – We are called to glorify God by instilling in our students the Gospel message of Jesus Christ and educating the next generation of Christians. Our calling includes both introduction to and encouragement to remain in a life of full devotion to Jesus Christ. We are charged with educating, encouraging, equipping, and serving our students and their families, which are an integral part of Kingdom Preparatory Academy.

We do this by directly instilling our Christian philosophies, values, missions, and goals in our students through offering a Christ-centered education. Overt liturgical religious purpose (preaching, worship, Bible instruction) as well as related non-liturgical religious purpose (social service activities, teaching, ministry, or events) all serve as methods that Kingdom Preparatory Academy supports to instill our religious values and beliefs. Even non-liturgical ministries are grounded in Kingdom Preparatory Academy's Christian philosophies, values, missions, and goals – and are therefore subject to all of its ministerial, enrollment, discipline, termination, and expulsion policies.

COMMUNITY AND PARTNERSHIP – We believe that our religious activity and education derives meaning in large measure from participation in a larger religious community. For this reason, parents and family of our student body play a large role in furthering our mission and viewpoint as a school. We exist to foster a Christ-like, educational environment of persons subscribing to our religious beliefs and faith. Kingdom Preparatory Academy seeks to instill Christian values in students by having teachers and staff spend time with the students, instructing and engaging them in the learning process. In this way, we transmit our Christian system of values to the next generation.

Associating with like-minded Christian families reinforces Kingdom Preparatory Academy's Christian purpose and is vital to our educational mission to perpetuate the faith. We are committed to being and educating disciples who understand what it means to follow Jesus Christ into a life of worship, fellowship, sacrifice, service and being led by the Spirit. (Matthew 28:19- 20, Acts 1:8, John 15:16, Mark 16:15) Our mission as part of the body of Christ is to participate, share, and encourage each other toward spiritual growth. (1 Thessalonians 5:11, Hebrews 10:23- 25, Colossians 3:16) For these reasons, participation in our school requires a tangible commitment to our beliefs, purposes, and mission as outlined in Kingdom Preparatory Academy's Written Statements of Faith, which are incorporated herein by reference, as if fully set forth herein.

EXPRESSION OF FAITH – Kingdom Preparatory Academy intends to transmit our system of religious beliefs, tradition, Christian morals, reverence, and values. We do so

by engaging in the community and students' lives, acts of worship, and through all activities, educational and otherwise, in which we participate. Likewise, we believe that all behavior of students and staff of Kingdom Preparatory Academy is communicative in nature, exemplifying and expressing our faith, both publicly and privately. Any student or employee who propounds a point of view contrary to our beliefs as stated in our above-referenced Written Statements of Faith, will impair Kingdom Preparatory Academy's integrity and ability to educate in accordance with its religious views and message.

OUTREACH MINISTRY - We take very seriously Kingdom Preparatory Academy's charge to be a Christian presence in a secular world. Therefore, all activities that Kingdom Preparatory Academy engages in are intended to further its religious purpose, as stated in our Purpose Statement. As such, all of our programs are considered an outgrowth of the mission of Kingdom Preparatory Academy to preach, teach, evangelize, and instill the Gospel message of Jesus Christ.
