

St. Mary's Academy
2022 Summer Assignment
Pre-Calculus

Welcome to Precalculus! To prepare you for the fall semester I have created several assignments on DeltaMath to reinforce certain skills that will be needed for you to be successful. To register, follow the instructions below.

1. Visit <https://www.deltamath.com/students?code=3FA4-HC9N>
 - a. NOTE: Your account must use an OLM email. If you are new, contact Ms. Miller at rmiller@mercycatholic.org
2. Complete the assignments at your own pace over the summer
 - a. I recommend you work on the assignments throughout the summer.
 - b. Take your time as you work on the assignments.
 - i. Each assignment requires you to correctly answer a certain number of questions.
 - ii. Incorrect responses reduce your current score, so be careful.
 - iii. Show your work as you complete the assignments.
 - c. All assignments will open on June 1 and are due August 8 by 11:59 pm (you should be asleep and ready for the first day of school by this time anyway)
3. Grading
 - a. There will be a quiz on the first week back from summer break

If you have any problems setting up your account, entering the course, or questions in general please contact me via email: akellam@mercycatholic.org. Welcome to the class and I look forward to working with you this year!

Best,
Dr. Kellam
